

Returning to Divine Order, a Ho'oponopono One Day Workshop (also available as a distance program). Ho'oponopono is the ancient Hawaiian wisdom to bring all things back to their Divine Order. The simplest of all techniques, and so highly effective that it still amazes me after using it for so many years. Can be done by children and adults alike. Works very effectively with animals as well. Needs no set time or space. Ho'oponopono becomes a lifestyle that encourages happiness and harmony.

Modules include

- Introduction to Ho'oponopono
- Principles of Ho'oponopono
- Resolving Conflict
- Healing Sickness
- Aligning Chakras
- Manifestation & Creation
- Ho'oponopono & Mandalas
- Easing Animals with Ho'oponopono
